Dream On

Christian Falk feat. Robyn

Well, we've come a long long way
And there's no turning back
The road ahead is clear at last
We can search our whole life through
Never knowing what we'll find
But we can make it if we try
'Cause every cloud has a silver lining
Just believe that the sun will shine
Dream on
(Dream on, dream on)
If you look deep inside your heart
You can reach the highest star
Dream on
(Dream on, dream on)
We can find our destiny
Be anything we wanna be
If we dream on
We can make a wish come true
(You know it's up to you)
We can swim against the tide
(Haa aah aah aah)
If we just let courage be our guide
And I know we'll find a way
(Find a way, we're gonna find a way)
If we close our eyes and dream
(Hoo, ooh, ooh, ooh)
Our time will come, just wait and see
We won't give up, gotta keep on trying
A ray of hope gives you wings to fly
Dream on
(Dream on, dream on)
If you look deep inside your heart
You can reach the highest star
Dream on
(Dream on, dream on)
We can find our destiny
Be anything we wanna be
If we dream on
Just hold your head up high

And we can touch the sky
We're gonna make it through together
The future's in our hands
(Hoo, doo, bah, hoo, doo, bah)
Taking chances, making plans
(Hoo, doo, bah, hoo, doo, bah)
We'll have everything we need
(Hoo ooh ooh)
If we won't give up, gotta keep on trying
A ray of hope gives you wings to fly
Dream on
(Dream on, dream on)
If you look deep inside your heart
You can reach the highest star
Dream on
(Dream on, dream on)
We can find our destiny
Be anything we wanna be
If we dream on
(Dream on, dream on)
If you look deep inside your heart
You can reach the highest star
Dream on
(Dream on, dream on)
We can find our destiny
Be anything we wanna be
If we dream on
(Dream on, dream on)
Dream on
