Spoonful

Catherine Russell

Could fill spoons full of diamonds
Could fill spoons full of gold
Just a little spoon of your precious love
Will satisfy my soul
Men lies about it
Some of them cries about it
Some of them dies about it
Every thing's a fightin' about the spoonful
That spoon, that spoon, that spoonful
That spoon, that spoon, that spoonful
That spoon, that spoon, that spoonful
That spoon, that spoon, that spoon
Could fill spoons full of coffee
Could fill spoons full of tea
Just a little spoon of your precious love
Is that enough for me?
Men lies about it
Some of them cries about it
Some of them dies about it
Every thing's a fightin' about the spoonful
That spoon, that spoon, that spoonful
That spoon, that spoon, that spoonful
That spoon, that spoon, that spoonful
That spoon, that spoon, yeah
Could fill spoons full of water
Save them from the desert sands
But a little spoon of your forty five
Saved you from another man
Men lies
Some of them cries about it
Some of them dies
Every thing's a fightin' about it
Every thing's a cryin' about it
Every thing's a, every thing's a diein' about it
Every thing's a cryin' about it
Every thing's a liein' about it
Little old, little old spoonful
Spoonful, yeah
Everybody just diein' about it

Everybody just cryin' about it
That spoon, that spoon, that
Little old spoon, little old spoon, little old
Little old spoon, little old spoon, little old spoon
That spoon, that spoon, that spoonful
That spoon, that spoon, that spoonful, yeah
Every thing's a diein' about it, yeah
