Danger

Dr. Sin

Wake up
We've gotta get out
There's no time left
There's nothing left
Here for meIn my mind
you won't find
No answers
The nightmares
Has just begunOh Oh
I've got a feeling
Something is coming
And I know
It's coming for my soul
Oh yeahOh Oh
I feel the danger
All around me
And my heart
Is beating
Out of control
