Crimson Sky

Calcutta

Verse 1: Hours past and days go by. And I still wonder why. You drive me crazy. And you know it. It's not so easy. To show it. You drive me crazy. And you know it. It's not so easy. To show.
Chorus: I am one, lost inside your eyes. So please help me make the compromise. Falling further 'mongst the Crimson Sky!
Verse 2: Hours past and the days go by. And I still wonder why. You drive me crazy. And you know it. It's not so easy. To show.
(Chorus)
(Solo)
(Chorus x2) END.
