# Overdrive

## Muckhole

Six days and I ain't seen a bed
I'm hitting overdrive
I got a death wish, I'm over the edge
On a wild joyride
'Cause it's too much speed
And too much booze
Oh, it's a suicide
'Cause with every 2nd wind I can't lose
I never been so alive
1st gear and I'm feeling alright
2nd, 3rd, 4th, 5th, never die
Overdrive, foot to the floor
Overdrive, give me more
Overdrive, above the law
Overdrive, it's how I live my life
Caffeine, nicotine and whiskey
It's barely enough
Don't need a cue to sink my eight ball
'Cause I only play rough, hard stuff

2nd wind and I'm still alive
3rd, 4th, 5th, 6th, never die
Overdrive, foot to the floor
Overdrive, give me more
Overdrive, above the law
Overdrive
Overdrive, foot to the floor
Overdrive, give me more
Overdrive, above the law
Overdrive, give me more
Overdrive, foot to the floor
Overdrive, give me more
Overdrive, above the law
Overdrive, it's how I live my life
Overdrive
Overdrive
Overdrive
