# I Really Am Grateful

## Kathy Taylor

For waking me up this morning, Lord I appreciate Your love
And for keeping me all through the day I meant to say
Thank You Lord for walking right by my side
Every night I always say, without Your help, I couldn?t make it through the day

Lord I don?t thank You enough, but I really am grateful for keeping me
Lord I don?t thank You enough, but I really am grateful

For every tear that I cry
You know what it reminds me of a storm that you already brought me through
For every pain that I feel , Reminds me there is no sickness that you
Every night when I fall down on my knees to pray
Lord I hear you telling me, trouble don?t last always

Lord I don?t thank You enough, but I really am grateful for keeping me
Lord I don?t thank You enough, but I really am grateful

Every time I get a chance to take the time I?ll praise You
I?ll never forget all You?ve done for me
Every time I get a chance to take the time I?ll praise You
I?ll remember when You saved my soul from sin

Grateful (3xs) REPEAT AS DIRECTED

Lord I don?t thank You enough, but I really am grateful
