Sonic Boom

Patchbay

Green gum lips so pink, hot neon pen
Flash forward, take a picture of me
I'm the prize at the endSwim the rainbow
Drown in paint and sky
I meet my melody
Feeling she's fascinatingI'm super loud
Like sonic boom
Like racing trains
Like bells at noonI'm super loud
Like a sonic boom
Like racing train
Like bells at noonGreen gum so pink, hot neon pen
Flash forward, take a picture of me
I'm the prize at the endSwim the rainbow
Drown in paint and sky
I meet my melody
Feeling she's fascinatingI'm super loud
Like sonic boom
Like racing trains
Like bells at noonI'm super loud
Like sonic boom
Like racing train
Like bells at noonI'm super loud
Like sonic boom
Like racing trains
Like bells at noonI'm super loud
Like sonic boom
Like racing trains
Like bells at noonSonic boom, sonic boom
Sonic boom, sonic boom
Sonic boom, sonic boom
Sonic boom, sonic boomI'm super loud
Like sonic boom
Like a racing train
Like bells at noonI'm super loud
Like sonic boom
Like racing trains
Like bells at noonI'm super loud
Like sonic boom

Like a racing train
Like bells at noonI'm super loud
Like sonic boom
