BUMD

Those Darlins

I dont feel like talkin tonight
Dirty glances outta sight
Ill keep it all inside of me
But it dont take a lot to see
B-U-M-D Im bummed
B-U-M-D Im bummedLoop di loop and a wobble o
Cryptic inner battles show
I cross my Is and dot my ts
It dont take all that to see
B-U-M-D Im bummed
B-U-M-D Im bummedSleeps no good it makes me snore
Exercisin makes me sore
Food tastes bad love aint sweet
This has got the best of me
B-U-M-D Im bummed
B-U-M-D Im bummedI need to find oh peace of mind
I need to find oh peace of mind
I need to find oh peace of mind
AhhhhhI aint gonna search for it
I wont pay no less
For someone just to tell me
Im B-U-M-D
B-U-M-D Im bummed
B-U-M-D Im bummed
