Rejection (Ian Carey mix)

Martin Solveig

I spend so much energy, I keep falling down my knees, baby
I spend so much energy but the girl is not for me, I'm down
Try to show her different men but her reaction is the same
I spend so much energy but she keeps rejecting meAaaaaaaaha, rejection
Aaaaaaaaha, possessionI spend so much energy on the frantic rivery
I should start on my grace, she blew smoke in my face
Can't you see there's nothing more about me, baby?
Now it's time to seek and try to find a wayAaaaaaaaaaha rejection
Before you turn your back on me I wanna get my energy
Aaaaaaaaha possession
Before you turn your back on me I wanna get my energy
Aaaaaaaaaaha rejection
Before you turn your back on me I wanna get my energy
Aaaaaaaaha possession
Before you turn your back on me I wanna get my energy
I feel so rejected babyI spend so much energy, even fall down to my knees
I try to sound fair, I fix my hair, release the best of me.
Feel like a geek, I'm so corny, to the simple and the cheesy,
But it seems that there's no way on Earth she lays her eyes on me.
Try to dance like Travolta, twist and shout for toi et moi
I even took my father's van, proposed a spaceball run,
But now I'm down.Ah ah ahAaaaaaaaaaha rejection
Before you turn your back on me I wanna get my energy
Aaaaaaaaha possession
Before you turn your back on me I wanna get my energy
Aaaaaaaaaaha rejection
Before you turn your back on me I wanna get my energy
Aaaaaaaaha possession
Before you turn your back on me I wanna get my energy.
