Blind (Dub Mix)

Robert Vadney

(Verse)
Sounds around, fill my head and guide me to the light,
hours found in nothingness, empty me inside,
You are what makes me breathe, your voice just fills my life,
now you're gone and I'm left all alone in the dark at night..(Chorus)
And I'm blind, blinded by the sight,
of when you left my side, it's hard to be alright,
So why, do I still count the time?
it's clear now, I'm left alone, behind..
