Behind

My Diet Pill

Saturday morning the sun is high so I can underline
All of my hopes to get out from my tears
So I, I can brightenWill be sunshine in me
I'm living a life inside a broken life
Will be sunshine in me
I'm living a life inside a blinding lifeEveryday morning I can play with the sun but I see you again
I wanna forget all your lies so I can go ahead, so I amI can't stand off it
I'm turning around the same thoughts behind
I can't stand off it
I'm turning around the same thoughts behindSaturday morning the sun is high so I can underline
All of my hopes to get out from my tears
So I, I can brightenWill be sunshine in me
I'm living a life inside a broken life
Will be sunshine in me
I'm living a life inside a blinding lifeI can't stand off it
I'm turning around the same thoughts behind
I can't stand off it
I'm turning around the same thoughts behindEveryday morning I can play with the sun but I see you again
I wanna forget all your lies so I can go ahead, so I amI can't stand off it
I'm turning around the same thoughts behind
I can't stand off it
I'm turning around the same thoughts beh
