Dissent

Seconds Away

Advisory - the following lyrics contain explicit language:

I'm caught in desire
Brought up by a liar
Got Burned by the fire
Now I got blood on my hands
On my hands
And I'm way past the point of rejection
It takes every day, try as I may to forget you
To let you goI've seen the truth, and it's killing me
I've seen the truth, and there's nothing left to say - yeah
But it's gonna takeWorlds of pain
To get over you
And it's gonna take
Worlds of pain
To get over you
Woah
To get over youI'm so delightfully wasted, I
Keep losin' faith in my
Reason to breathe, thinkin' maybe I should drink you to death
My lust is my affliction
Can someone tell me why
I surrender time for the quickest fix
Why am I
Wide awake, when I lay my head to rest
Woah yeahAnd I've seen the truth, and it's killing me
And I've seen the truth, and there's nothing left to say - yeah
Except it's gonna takeWorlds of pain
To get over you
And it's gonna take
Worlds of pain
To get over you
To get over youI'm lookin' for a new direction
But there's no end in sight

Please tell me, don't tell me why
You're just another complication
So leave me to my own - my own device
And it's gonna takeWorlds of pain
To get over you
And it's gonna take
Worlds of pain
To get over you
WoahWorlds of pain
To get over you
And it's gonna take
Worlds of pain
To get over you
Woah hoah
