Strict Machine (Benny Benassi

Goldfrapp

I get high on a buzz
Then a rush when I'm plugged in you
I connect
When I'm flush
You get love when told what to doWonderful electric
Wonderful electric
Wonderful electric
Cover me in youI'm in love, I'm in love
I'm in love with a strict machineI'm in love, I'm in love
I'm in love with a strict machineWhen you send me a pulse
Feel a wave of new love
Through me
I'm dressed in white noise
You know just what I want
So pleaseWonderful electric
Wonderful electric
Wonderful electric
Cover me in youI'm in love, I'm in love
I'm in love with a strict machineI'm in love, I'm in love
I'm in love with a strict machine ...
