Peaceful

Ann Sally

In the morning sun when no one
Will be drinking any more wine
I'll wake the sun up by givin' him
A fresh air full of the wind cup
And I won't be found in the shadows hiding sorrow
And I can wait for fate to bring around to me
Any part of my tomorrow, tomorrow

Cause it's oh, so peaceful here
No one bendin' over my shoulder
Nobody breathing in my ear
Oh, so peaceful here

In the evening shadows are callin' me
And the dew settles in my mind
And I think of friends in the yesterday
When my plans were giggled in rhyme
I had a son while on the run
And his love brought a tear to my eye
And maybe some day he'll up and say
"We had a pretty nice time"
Oh my, oh my

Cause it's oh, so peaceful here
No one bendin' over my shoulder
Nobody breathing in my ear
Oh, so peaceful here
