Go Glow

Newsboys

Are you sleepin'?
The morning's already here
Are you dreamin'?
Can you hear Him in your ear
Let the fire burn infectious
You are His reflection
Are you sleepin'?
The morning's already hereHe wakes up the stars
Lights the moon
Knows who you are
He put the light in you
He wakes up the stars
Lights the moon
Knows who you are
He put the light in youGo glo-o-o-oh-ow
Go glo-o-o-oh-ow
Go glo-o-o-oh-ow
Go glowThey can see it
Shinin' all over your face
Oh, just believe it
That's the power of His grace
Let the fire burn infectious
You are His reflection
They can see it
Shinin' all over your faceLet the old you fade away
You ignite and light the day
Let the old you fade, old you fade, old you fade away
