Morning Bell (Live In Oxford)

Radiohead

Morning bell
Morning bell
Light another candle
Release me
Release meYou can keep the furniture
A bump on the head
Coming down the chimney
Release me
Release me
Please
Release me
Release meWhere'd you park the car?
Where'd you park the car?
Clothes are all over the furniture
Now I might as well
I might as well
Sleepy jack the fire drill
Run around around around around aroundCut the kids in half
Cut the kids in half
Cut the kids in half
