Love U Til I Don't

Wildhearts

well I used to think that bad times lay behind me, I used to think I'd had my share of pain
my friends all tried to tell me I was dreaming, yeah but I just stood behind you all the same
come take me down and make me dirty, well I guess that's all I've ever been
well I should have realised there ain't no reason, I should have seen the writing on the wall
the Frankenstein you tried creating to give your trust and I'm still waiting
take me as I am or not at all
the only thing I ever wanted was the only thing you never gaveCHORUS:
oooooh I la-la-la-la-la-la love ya, until I don't
oooooh I la-la-la-la-la-la love ya...
and if it takes me all my life just to get you out of my head
well (maybe/ baby) I'd rather be dead, (waaaauh!){reggae bit!}when I get hot she turns away, I wish I'd never called to say...
ooooh yeah
