Cody (Cava Sessions)

Mogwai

Of all I knew, her held too few
And would you stop me, if I try to stop youOld songs stay 'til the end
Sad songs remind me of friends
And the way it is, I could leave it all
And I ask myself, would you care at allWhen I drive alone at night, I see the streetlights as fairgrounds
And I tried a hundred times to see the road signs as Day-GloOld songs, stay till the end
Sad songs, remind me of friends
And the way it is, I could leave it all
And I ask myself, would you care at all
