Poor Leno

RÃ¶yksopp

Poor Leno
Where you'll be I'll go
Where you'll be I'll know
Where you'll be I'll find you

Poor Leno
Where you'll be I'll go
Where you'll be I'll know
Where you'll be I'll find you

Poor Leno
Where you'll be I'll go
Where you'll be I'll know
Where you'll be I'll find you

Poor Leno
Where you'll be I'll go
Where you'll be I'll know
Where you'll be I'll find you

Poor Leno
Where you'll be I'll go
Where you'll be I'll know
Where you'll be I'll find you

Poor Leno
Haven't you been told
Being nine years old
Means I'll always find you

Poor Leno
Where you'll be I'll go
Where you'll be I'll know
Where you'll be I'll find you

Poor Leno
Haven't you been told
Being nine years old
Means I'll always find you
