On The Run

Kelly Osbourne

Don't look for me 'cos I won't be found
Don't blame yourself when I turn you down
Whatever you do don't believe that it's about you
My head's on the run and it's running for [Incomprehensible]
I've only begun and I'll never be done
On my own's where I know
And nobody can hold
Me down when we come
'Cos my head's on the run
And what you think, doesn't matter much
I do my thing and you're not that tough
Whatever you do, don't believe I'm changing for you
My head's on the run and it's running for [Incomprehensible]
I've only begun and I'll never be done
On my own's where I know

And nobody can hold
Me down when we come
'Cos my head's on the run
Head's on the run
My head's on the run
My head's on the run and it's running for [Incomprehensible]
I've only begun and I'll never be done
On my own's where I know
And nobody can hold
Me down when we come
'Cos my head's on the run
Head's on the run
My head's on the run
