Take Me To Your Heart

EurythmicsÂŽ

Take me to your heart
Take me to your heart
Take me to your heart
Take me to your heartTime after time
I try to contact you
And time after time
I try to talk to youBut you don't take me to your heart
Take me to your heart
Take me to your heart
Take me to your heartWhen I'm alone
I think you're near me
It's good to pretend
That you're with meWhy don't you take me to your heart?
Take me to your heart
Take me to your heart
Take me to your heartTime after time
I try to contact you
And time after time
I try to talk to youBut you don't take me to your heart
Take me to your heart
Take me to your heartWhen I'm alone
It's good to pretend
Take me to your heart
Take me to your heart
It's good to pretend
Time after time
