The Life

Trick

Livin' life on the fast lane
Trick or treatin' like everyday's Halloween
Though we not sixteen but it still feels sweet when we cruisin'
Shoppin', swipin', sip a little wine while we dinin'
Now it ain't trickin' if you got it
So what's the deal shawty hop inJust clap your hands if you want it I got it I'm right here
Let's get crazy and no maybe it's the time of the year
Champagne flutes up in the air, screamin' like you just don't care
Sayin' ayy yo
Let's go! Let's go!So tell me what you think of it, me and you
I'm talking fancy clothes, fast cars, cruising with the top down
You can let me know whenever, me and you
I'm talking plastic cards, five star, can we get some service here?!
Oh, Oh, Oh, Oh, Oh, Oooh
The life, the life, the life, yeah we'll be livin' the lifeBeen a minute but I'm back and I ain't got time to slack
Pack my jet pack, and I'm ready to smack
Couple of hot thangs, cruisin the fast lane
Champagne poppin' on my candy cane
And I gotta couple bottles waitin' there
You should come over kick it here
Ask it, you got it, I'll make it appear
Alakazam and we all disappear
