

Save It for Your Prayers

Duffy

Heard it on the wire
You've been telling me lies
Heard in a sparrow's song
Every thing it said was wrong
Found it on your shirts
All the lipstick and the dirt
Your late nights on the town
Like red wine makes me down I don't need no explanation
I don't need the truth
Show some remorse for me
And for what you do Save it for your prayer, boy
There's no need to hurry
Save it for your prayer, boy
I've learned not to worry, yeah
Save it for your prayer
I, I'm not gonna care no
I'm not gonna be there for you Read it in a letter
That you've hurt me so
Never thought
I'd leave you but
Now I guess
I don't know, oh
I thought
You'd love me and I
I thought we'd last
But now I realize
It was all in the past Save it for your prayer, boy
There's no need to hurry
Save it for your prayer, boy
'cause I, I've learned
Not to worry, no
Save it for your prayer
I'm not gonna care no
I'm not gonna be there
Yeah
For you For you Save it for your prayer
