Hey Hey Hey

Uncle Kracker

Lately I've been livin'
Feelin' unforgiven
Feels like I've been gettin'
Anythin' and everythin' wrong
Well, I've always had my trouble
Lately, it's been double
Somethin' busts my bubble
Keeps me barely floatin' along
But those days are behind me
You ain't gonna find me
Sittin' 'round, countin' raindrops
Hey, hey, hey
The sun is shining on my face
And everythin' will be okay
It's a fact, yeah, I made it back
And this time I'm here to stay
Hey, hey, hey
Now the clouds have parted
Let's get the party started
Call up the broken hearted
Tell 'em that I'm back in town
I'm buyin' the whole place around
Bad days behind me
My baby beside me
I feel my luck starting to change
Hey, hey, hey
The sun is shining on my face
And everythin' will be okay
It's a fact, yeah, I made it back
And this time I'm here to stay
Hey, hey, hey
The sun is shining on my face
Bad days behind me
My baby beside me
I feel my luck starting to change
Hey, hey, hey
Hey, hey, hey
Hey, hey, hey
Hey, hey, hey, yeah

Hey, hey, hey
The sun is shining on my face
And everythin' will be okay
It's a fact, yeah, I made it back
And this time I'm here to stay
Hey, hey, hey
The sun is shining on my face
And everythin' will be okay
It's a fact, yeah, I made it back
And this time I'm here to stay
Hey, hey, hey
Hey, hey, hey
Hey, hey, hey
Hey, hey, hey
Hey, hey, hey
Hey, hey, hey
Hey, hey, hey, yeah
Hey, hey, hey
