Little By Little

Orange Grove

You got to get yours and Iâ€™ve got to make mineâ€¨
and little by little itâ€™ll be but itâ€™ll take timeâ€¨
I promise not to waste yours if you donâ€™t waste mineâ€¨
cause we both know it takes timeâ€¨

Time it never stopped just from waiting in a line
â€¨it never had a pause button or no rewind
â€¨itâ€™s always yours itâ€™s just a state of mindâ€¨
as long as Iâ€™m alive I know Iâ€™ll keep tryingâ€¨
Time it never stopped just from waiting in a line
â€¨it never had a pause button or no rewind
â€¨itâ€™s always yours itâ€™s just a state of mindâ€¨
as long as youâ€™re alive youâ€™d better keep trying

You got to get yours and Iâ€™ve got to make mineâ€¨
and little by little itâ€™ll be but itâ€™ll take timeâ€¨
I promise not to waste yours if you donâ€™t waste mineâ€¨
cause we both know it takes timeâ€¨

Nuffa people give up dem whole life for a lieâ€¨
You donâ€™t have to be that girl you donâ€™t have to be that guyâ€¨
You never missed it til ya well turned dryâ€¨
Ya never loved it til ya wellâ€™s all dried upâ€¨
better open your eyes up donâ€™t just stare into the skyâ€¨
Thereâ€™s lotsa work to be done and oh what itâ€™s worth to be youngâ€¨
so donâ€™t you waste it cause what you do now you canâ€™t erase it

You got to get yours and Iâ€™ve got to make mineâ€¨
and little by little itâ€™ll be but itâ€™ll take timeâ€¨
I promise not to waste yours if you donâ€™t waste mineâ€¨
cause we both know it takes timeâ€¨

All those troubles on your mind and all they do is bring you down
