Keep Your Head Up

Danny Wheeler

wooh, ehhhh, wooooh.
I've been waiting on the sunset
Bills on my mindset
I can't deny That they're gettin high
Higher than my income
In comes breadcrumbs
I've been trying to survive
The glow that the sun gives
Right around sunset
Helps me realize
This is just a journey
Drop your worries
You are gonna turn out fine.
Oh, you'll turn out fine.
Fine, oh, you'll turn out fine.
But you gotta keep your head up, oh,
And you can let your hair down, eh.
you gotta keep your head up, oh,
And you can let your hair down, eh.
I know it's hard, know its hard,
To remember sometimes,
But you gotta keep your head up, oh,
And you can let your hair down, eh.
I've got my hands in my pockets,
Kickin these rocks.
Its kinda hard to watch this life go by.
I'm buyin into skeptics,
Skeptics mess with, the confidence in my eyes
I'm seeing all the angles, starts to get tangled
I start to comprimise
My life and the purpose.
Is it all worth it,
Am I gonna turn out fine?

Oh, you'll turn out fine.
Fine, oh, you'll turn out fine.
But you gotta keep your head up, oh,
And you can let your hair down, eh.
you gotta keep your head up, oh,

And you can let your hair down, eh.
I know it's hard, know its hard,
To remember sometimes,
But you gotta keep your head up, oh,
And you can let your hair down, eh.
Only rainbows after rain
The sun will always come again.
And its a circle, circling,
Around again, it comes around again.
Only rainbows after rain
The sun will always come again.
And its a circle, circling,
Around again, it comes around,
But you gotta keep your head up, oh,
And you can let your hair down, eh.
you gotta keep your head up, oh,
And you can let your hair down, eh.
I know it's hard, know its hard
To remember sometimes,
But you gotta keep your head up, oh,
And you can let your hair down, eh.
Keep your head up, oh,
And you can let your hair down, eh.
Keep your head up, oh,
And you can let your hair down, eh.
Keep your head up, oh,
And you can let your hair down.
