Blind Man

Jared Anderson

Disappointing change in seasons
Cold has come again
Streets are flooded with excuses
Stories never end
People walk in their disillusion
Wading through despair
We must come to stand as one
And take the cross they bear
So we will try not to cry when we're walkin' in their shoes
Have you heard the news?
Hey, have you seen the blind man in disguise lookin' for his eyes?
Hey, have you seen the rain man lookin' to the sky beggin' for sunlight?
The darkest times ain't always at night
A man will hold a sign and preach

This world will not stand
We are all among the scared
So will you hold my hand?
So we will try not to cry when we're walkin' in their shoes
Have you heard the news?
Hey, have you seen the blind man in disguise lookin' for his eyes?
Hey, have you seen the rain man lookin' to the sky beggin' for sunlight?
The darkest times ain't always at night
So we will try not to cry when we're walkin' in their shoes
Have you heard the news?
Hey, have you seen the blind man in disguise lookin' for his eyes?
Hey, have you seen the rain man lookin' to the sky beggin' for sunlight?
The darkest times ain't always at night
