Raisans

Dinosaur Jr.

The lights exploded, she stood burning in front
She ripped my heart out and gave it to me
My eyes wouldn't open, cemented to her face
Have I begun the feeble chase?Well, I'll be down, I'll be around
I'll be hanging where eventually you'll have to be
I'll just stare and hope you'll care
It's only everything standing in front of meI know what you did to me
I know what you did was wrong
You're allowed to torture me
Wait a moment until I'm goneI know you're [Incomprehensible], you gotta be
'Cause I let you be alone for long
Got to be so completely
Got to be so, I can't hang on[Incomprehensible]Well, I'll be down, I'll be around
I'll be hanging where eventually you'll have to be
And I'll just stare and hope you'll care
It's only everything standing in front of meWell, I'll be down, I'll be around
I'll be hanging where eventually you'll have to be
They're not there, you're standing there
Now you'll have to decide the fate of my sanity
