Dance Into My Life

Donna Summer

Dance into my life, only for a while
Whirl me round and round
Dance me like an Angel child
He's passing through my world
He doesn't even know
Time's not on my side
No word or goodbye I'll go
So dance on
Right now I want to dance on
Until the moment's over
And I'll be going home
I'll be going home
Just dance on
Right now I want to dance on
I can't let him notice the
Tears in my eyes
In my eyes, in my eyes
Dance into my life
Hold the moment fast
Make believe in us
Nothing real in life can last
Dance within my life
Dance me to the door
I can't see the time
But the time has come for sure, for sure
So dance on
Right now I want to dance on

Until the moment's over
And I'll be going home
I'll be going home
Just dance on
Right now I want to dance on
I can't let him notice the
Tears in my eyes
In my eyes, in my eyes
Dance with me, dance with me
Won't you dance with me
Dance with me, dance with me

Won't you dance with me
So dance on
Right now I want to dance on
Until the moment's over
And I'll be going home
I'll be going home
So dance on
Right now I want to dance on
Until the moment's over
And I'll be going home
I'll be going home
So dance on
Right now I want to dance on
Until the moment's over
And I'll be going home
I'll be going home
