I'm Finding (LP Version)

Leslie Phillips

I'm finding that I'm falling
In love with You every day
And I'm finding that I'm finally
Starting to see things Your wayIt's taken me a long time to trust
You with my heart but I knew once
I did that I'd start, finding that I'm falling
I'm falling in love with YouI'm finding that I'm living
Instead of just getting by
And You've given me a purpose
I'm not just waiting to dieIt's taken me a long time to realize
You care for me, Lord, oh thank You
For waiting patiently and I'm finding
That I'm falling, I'm falling in love with YouI can see now who You really are
You're my Lord and You're the brightest morning starIt's taken me a long time to realize
You care for me, Lord, well thank You
For waiting patiently and I'm finding
That I'm falling, I'm falling in love with You
In love with You, in love with You
