I've seen enough to say that I know
That this old world is not my home
From lustful eyes and tainted lies, pride to hide the way that I
The way that I feel insideI am ready to go home
I'm packing my bags and I'm hitting the road
I am ready to go home
I'm packing my bags and I'm hitting the roadI've seen enough to say that I know
That this old world is not my home
From lustful eyes and tainted lies and pride to hide
The way that I feel insideI am ready to go home
I'm packing my bags and I'm hitting the road
I am ready to go home
I'm packing my bags and I'm hitting the roadPacking my bags and I'm hitting the road
Yes, I'm gonna run, I'm gonna run for my home
To stand in the sight of the Living God
That's where I'm longing to beI am ready to go home
I'm packing my bags and I'm hitting the road
I am ready to go home
I'm packing my bags and I'm hitting the roadHitting the road
Hitting the road
Hitting the road
