Brother like you

Kaye Styles

[Chorus]
What's a man supposed to be without a brother like you
I'm a survivor but now i`m missing you[Verse]
It's like sixteen years ago
That's when i met you
Bullshit in the house
Man this all that we've been through
You was like a familiar brother to me
When we stepped up in the club you would get it for free
Yea ??? Air Force like Jordan
Mad skills, fair play just ballin'
Times you spent, big times I can't forget
Doe sadist you.. It's the man I regret[Chorus]
What's a man supposed to be without a brother like you
I'm a survivor but now i'm missing you[Verse]
He was a good guy.. He was like good felas
In the hard times you were the only one there
Back in the days it was me and you, me and you, me and you
We used to hose to the lake in the summer time
We used to go to the GYM just to spent some time
And in the car man We used to spit some rhymes
Just like Flip Mo'[Chorus]
What's a man supposed to be without a brother like you
I'm a survivor but now i'm missing you
