

# Fly Me to the Moon

[Willie Nelson](#)

Fly me to the moon  
And let me play among the stars  
And let me know what spring is like  
On Jupiter and Mars  
In other words, hold my hand  
In other words, darling kiss me  
Fill my heart with song  
And let me sing forever more  
You are all I long for  
All I worship and adore  
In other words, please be true  
In other words, I love you  
Fill my heart with song  
And let me sing forever more  
You are all I long for  
All I worship and adore  
In other words, please be true  
In other words, I love you
