Do the Funky Chicken (Re-Recorded)

Rufus Thomas

Y'all come on in now
Come right on down front
I got something I want to show you
Now y'all heard of the Popcorn
Y'all heard of the Dog
You heard about all your other dances
But now there's a brand new dance
That's going around
I want to show you exactly what I'm talking about
I'm talking about the funky chicken, y'all ready?You raise the left arm up
And your right arm too
Let me tell you just what to do
Start both of 'em to flapping
You start your feet to kicking
That's when you know
You doin' the funky chickenYou put both arms up across your face
You knees start wiggling all over the place
You flap your arms
And your feet start kicking
Then you know you doin' the funky chickenOh, I'm feeling it now
I feel so unnecessary
This is the kind
This is the kind of stuff
To make you feel like you
Want to do something nasty
Like waste some chicken gravy
On your white shirt
Right down front here we go y'all
