Dey Know

Cap 1

L-O, L-O, dey know, dey know
L-O, L-O, dey know, dey know
L-O, L-O, dey know, dey know
L-O, L-O, dey know, dey know
Shawty Lo, I got flavor
Plus you know, the kid got paper
Like 40, don't savor
Bankhead been pullin? capers
The way you drop woulda thought I had a taser
Call me street, like a razor
Shawty Lo, ATL, I'm the mayor
Street ***** but my gear be tailored
Every now and then, Shawty might rock gators
Me and that kush, I got acres
Yeah! No more nosey-*** neighbors
Big up to all my haters
L-O, L-O, dey know, dey know
L-O, L-O, dey know, dey know
L-O, L-O, dey know, dey know
Got a message to ponder you get get get it!
I'm the man and I know that
I got cash, I'm talkin? throwback
A hundred grand, what's that?
I hit the club and I blow that
All these ****, know Lo that
I'm picture perfect, made for Kodak
Let's talk money, I got plenty
Dope Boyz, let?s get get get it!
L-O, L-O, dey know, dey know
L-O, L-O, dey know, dey know
L-O, L-O, dey know, dey know
Got a message to ponder you get get get it!
L-O, L-O, dey know, dey know
L-O, L-O, dey know, dey know
L-O, L-O, dey know, dey know
Got a message to ponder you get get get it!
Hey hey hey, hey how you doin?? It's L-O!
You say they seat three? I'm the one in the middle
And I don't need this beat, I can rock it a capello

Not one, but two, all I needed was a Skittle
And yeah, now I'm geeked
I'm screamin? ?yes sir!? just like Jeez'
A-Town fitted, who but me?
L-O, she know, he know, they know
I am L-O, L-O, dey know, dey know
L-O, L-O, dey know, dey know
L-O, L-O, dey know, dey know
Got a message to ponder you get get get it!
Dey know, dey know, yeah
Dey know, dey know, yeah
Dey know, dey know
