# Run Me Into the Ground

## CHAPPO

Please don't run me into the ground
Sleep is the only thing that's allowed
Bend and stretch
The time that is left
While I'm awake, I goPlease don't run me into the ground
She might trip slip and fall down
Be what it may
The time we're away
While I'm upset, I go
Running back into the night away
Running, about to fall
Gunning quick into the hideaway
Shadows upon the wallDouble breath double take
It's alright it's okay
Subtle break, subtle change
Just a shade of all greyRunning back into the night away
Running, about to fall
Gunning quick into the hideaway
Shadows upon the wall
Running back into the night away
Running, about to fall
Gunning quick into the hideaway
Shadows upon the wall
Please don't run me into the ground
Please don't run me into the ground
Please don't run me into the ground
Please don't run me into the ground
Please don't run me into the ground
