When i begin to focus
I reslly wanna show this
in all that i doit's written in the stars
and shining in the heavens
no weak infatuation

I'm so in love with you
I'm so in love with you
I'm so in love with you
Oh yeah, oh yeah, oh yeahHave you ever noticed
When i begin to focus
I reslly wanna show this
in all that i doit's written in the stars
and shining in the heavens
no weak infatuation
for me will doRoses are red
