Let Me Call You Sweetheart

Bette Midler

Let me call you sweetheart
I'm in love with you
Let me hear you whisper that you love me tooKeep the love light glowing in your eyes so true
Let me call you sweetheart
I'm in love with youLet me call you sweetheart
I'm in love with you
Let me hear you whisper that you love me tooKeep the love light glowing in your eyes so true
Let me call you sweetheart
I'm in love with you
