Kiss Me Baby

Patrice Pike & Wayne Sutton

Please, don't let me argue anymore
I won't make you worry like before
Can't remember what we fought aboutLate, late last night we said, "It was over"
But I remember when we thought it out
We both had a broken heartWoah, baby, kiss me, baby
Woah, baby, love to hold you
Woah, baby, kiss me, baby
Woah, baby, love to hold youAs I drove away I felt a tear
It hit me, I was losing someone dear
Told my folks, "I would be alright"Tossed and I turned my head was so heavy
Then I wondered as it got light
Were you still awake like me?Woah, baby, kiss me, baby
Woah, baby, love to hold you
Woah, baby, kiss me, baby
Woah, baby, love to hold you, tightWoah, baby, kiss me, baby
Woah, baby, love to hold you
Woah, baby, kiss me, baby
Woah, baby, love to hold youWoah, baby, kiss me, baby
