We Did It Again

Metallica

Au! (yeah)
Yeah we did it (its on fire) (louder) (its on fire)
Yeah we did it (we are ready to rock this) (scream)
Yeah we did it (uh uh ye got Metallica, Metallica, in here)
Yeah we did it (ja rule, ja rule, swiss, swiss, the monster)
Lets go
Just When you thought it was over
Just When you thought it was Done
Just When you thought it was safe now...
Yeah, we did it, did it again
Just When you thought it was over
Just When you thought it was Done
Just When you thought it was safe now...
We did it, did it again
Lets go
Fast Cars, Fast Brauds
Cause I'm a rock and rollstar baby
born in the usa
im gonna hit the highway
on my harley
do about 38
nothin else but take it easy
any woman what wont please me
I'll give her up
anytihng that wont touch me or move me ill give it up
and i know your all seriouse
we did it, did it again
[James:] More than this, never more you whipping boy
[Ja Rule:] Louder
[Ja Rule:] Yeah... we did it (louder)
[Ja Rule:] (scream)
[James:] More than this, never more you whipping boy
[Ja Rule:] Yeah... we did it(louder)
[Ja Rule:] let's go...
Just When you thought it was over
Just When you thought it was done
Just When you thought it was safe now...
We did it, did it again
Just When you thought it was over

Just When you thought it was done
Just When you thought it was safe now...
We did it, did it again
Who loves a little rock and roll mixed with a little bit hipp hop soul?
we do
Come one a Rock Steady, We'll keep you Rockin, Get ready and say
We did it,We did it again
Belive in the air you Breathin in
Im a Mad Work Freak
With a Freaky weekend
No Matter What you spend
because your just livin it up

and damn were gonna do it again
come on, you better bring some friends
we having a party tonight
I'm bringing juice and gin
you'll beat your head
(Swiss) we did it, did it again
[James:] More than this, never more you whipping boy
[Ja Rule:] Louder
[Ja Rule:] Yeah we did it...
[Ja Rule:] Scream
[James:] More than this, never more you whipping boy
[Ja Rule:] Yeah... Yeah we did it
[Ja Rule:] let's go...
[Ja Rule:] Just when you thought it was over, Just when you thought it was done
[James:] Rip that smile right off your face
[Ja Rule:] Just when you thought it was over, Just when you thought it was done
[James:] Rip that smile right off your face
[Ja Rule:] C'mon
Fast Cars, Fast Brauds
Cause I'm a rock and rollstar baby
born in the usa
Highway
Harley
(Kirk Kill 'em)
Who loves a little rock and roll mixed with a little bit hipp hop soul?
we do, we do, we do
break it down, break it down
[James:] More than this, never more you whipping boy
[Ja Rule:] Louder
[Ja Rule:] Yeah we did it...
[Ja Rule:] Scream
[James:] More than this, never more you whipping boy

[Ja Rule:] Yeah we did it
[Ja Rule:] let's go...
Just When you thought it was over (woah)
Just When you thought it was done (yeah)
Just When you thought it was safe now...(come on)
We did it, did it again
Just When you thought it was over (woah)
Just When you thought it was done (yeah)
Just When you thought it was safe now...(come on).
We did it, did it again
Yeah you know about that time
[James:] rip that smile right of your face
Oh baby Metallica, swiss
what u want with this?
[James:] rip that smile right of your face
now you get it, come on yo..
[James:] rip that smile right off your face
yeah, we did it again
huh, oh baby metallica, swiss beats
[James:] rip that smile right off your face
there's not fuckin' with that
[James:] rip that smile right of your face [fade]
