Ice to Eskimoz

Cage9

And you lie like a dog
Just to get what you want
When you want it

Like a rooster at dawn
The sun comes when you call
You donâ€™t own it so

Tell me why we
Compromise
Youâ€™re selling me,
And you see I can barely breath

Why donâ€™t we
Run away to the cold North Pole
Weâ€™ll get rich selling ice to the Eskimos
Cause we lie like weâ€™re dogs
Cause thatâ€™s what we are
But we canâ€™t help it

So tell me why we
Compromise youâ€™re selling me,
And you see, I can barely breath

Its lovely weatherâ€¦
We can see foreverâ€¦
Wish the sun were betterâ€¦

But you better run
Cause you got the sun
And your dreams are melting

You better run
Cause you got the sun
(You better run)
You better run
Cause here comes the sun

So tell me why we
Compromise your selling me,

And you see I can barely breath

Just tell me why we
Compromise,
When we could see, forever
And the sun, zero weather
Nothing lasts forever

So you better run
(You better run)
Cause here comes the sun
(Here comes the sun)
You better run
(You better run)
Cause here comes the sun
Here comes the sun
