# Lovin' U

## Javier

I never thought it will end like this
I never thought we'd ever had our last kiss
I never thought about you being unhappy
'Cuz in my world everything was about meI know that I didn't give my all to you
I know that you've being seeing somebody new
I know that it's to late to make things right
And I know you don't care but I gotta tell youLovin' U is all that I wanted to do
Lovin' U is all I wanted to do
Lovin' U is all that I wanted to do
Lovin' U is all I wanted to doI never thought I will push you away
I never thought I wouldn't see you every day
I never thought I wouldn't get here to hear
The silly things you'd say only for my earsI never thought our love would run outta time
I never thought I would be singing this lines
I never thought I wouldn't get a chance to explain
How much I careI know that I didn't give my all to you
I know that you've being seeing somebody new
And I know that it's to late to make things right
And I know you don't care, I just have to tell youLovin' U is all that I wanted to do, yes I do
Lovin' U is all that I wanted to do, hey
Lovin' U is all that I wanted to do, yes I do
Lovin' U is all that I wanted to do, can I play for youOoh, I know that I didn't give my all to you
I know that you've being seeing somebody new
And I know it's to late to make things right
And I know you don't care, I just gotta tell youLovin' U is all that I wanted to do, hey
Lovin' U is all that I wanted to do babe
Lovin' U babe is all I wanted to do
Lovin' U baby is all I wanted to do[Incomprehensible]
