Dancing With Danger

Leslie Phillips

Raised with a Bible in your hand
You met your parents' strict demands
But now that sweet religious child
Is like a hurricane gone wildAnd you're dancing
Dancing with danger
Lies from a stranger
Waltz inside your headOh, you've got your back to
The One who really loves you
But you can't stop because you
Can't see what's aheadNo liquor and no cigarettes
Are rules you're learning to forget
But it's not so much the outward part
'Cause God is looking at your heartAnd you're dancing
Dancing with danger
Lies from a stranger
Waltz inside your headOh, you've got your back to
The One who really loves you
But you can't stop because you
Can't see what's aheadYou've danced yourself out on a ledge
Your dreams are falling off the edge
God never wanted it that way
He wants to shake your fears awayAnd you're dancing
Dancing with danger
Lies from a stranger
Waltz inside your headAnd you've got your back to
The One who really loves you
You can't stop because you
Can't see what's aheadAnd you're dancing
Dancing with danger
Lies from a stranger
Waltz inside your headAnd you've got your back to
The One who really loves you
But you can't stop because you
