Boundless Love

The Cathedrals

There is not a mother, sister, friend or brother
Loves the way that Jesus can
He proved His love for me when He died on Calvary
He gave His life for fallen man

His love is a boundless love and it reaches down and touches me
His love is an endless love that will last through all eternity

Jesus wants to love you, there is none above you,
You are precious in His sight
He will never fail you when the doubts asail you
He'll be with you day and night

His love, His love, His love, His love; His love is a boundless love
