Emergency

The So So Glos

Marky lived in your old wheelchair
Across the street from the house where we grew
Jesus lived on Sylvia's island
Georgy lived on Riker's, tooAnd my baby she laid
In front of the subway trainI don't mind whatever
I'm from whatever land
Just a road, I'll find it
I will never understand why
Y'all still went like some old fiend
And why grandma jumped from the??
In my blue jeansI don't mind whatever
I'm from whatever land
Just a road, I'll find itI don't mind too much these days
Hating change
I'm rescuing, this is an emergency
This is an EMERGENCY
This is an EMERGENCYWe all lived in that old wheelchair
Across the street, just across the street
Oh, my baby, she laid in front of a subway train
Hey, this an EMERGENCYI don't mind whatever
I'm from whatever land
Just a road, I'll find it
