You Shook Me All Night Long

Aina

She was a fast machine, she kept her motor clean
She was the best damn woman that I ever seen
She had the sightless eyes, telling me no lies
Knocking me out with those American thighsTaking more than her share, had me fighting for air
She told me to come but I was already there
Cause the walls start shaking, the earth was quaking
My mind was aching, and we were making itAnd you shook me all night long
Yeah, you shook me all night longWorking double time on the seduction line
She's one of a kind, she's just mine, all mine
Wanted no applause, it's just another course
Made a meal outta me and come back for moreHad to cool me down to take another round
Now I'm back in the ring to take another swing
That the walls were shaking, the earth was quaking
My mind was aching, and we were making itAnd you shook me all night long
Yeah, you shook me all night long
Knocked me out, I said
You shook me all night long
You had me shaking and you shook me all night long
Yeah, you shook me
Yeah, you took meYou really took me and you shook all night long
Ooohhhh you shook me all night long
Yeah, Yeah you shook me all night long
You really got me and you shook me all night long
Yeah you shook me
Yeah you shook me all night long
