Bye Bye, Love

George Harrison

Bye bye, love
Bye bye, happiness
Hello, loneliness
Think I'm gonna cryBye bye, love
Bye bye, sweet caress
Hello, emptiness
I know I'm gonna die
Goodbye, my love, bye byeThere goes our lady
With a, "You know who"
I hope she's happy
"Old Clapper' too"We had good rhythm
(A little slide)
Then she stepped in
Did me a favor
I threw them both outGoodbye, happiness
Hello, loneliness
I think I'm gonna cry
Bye bye, my love, bye byeBye bye, love
It's gonna be a raining outdoors
Hello, happiness
Goodbye, my love, goodbyeNow I'm into romance
I shy away from love
Got tired of ladies
(Ladies)
That plot and shove meAnd that's the reason
We all can see
(See so clearly)
They see that our lady
Is out on a spreeBye bye, love
Bye bye, happiness
Hello, loneliness
Think I'm gonna
Think I'm gonna
I'm gonna cryBye bye, love
Bye bye, happiness
Hello, emptiness
I think I'm gonna cryGoodbye, my love, goodbye
Goodbye, my lovers, goodbye
[Incomprehensible]

Goodbye, my love
