Drown Me In Your Love

Jacquie Lee

You don't make it easy for me
If I let go, imagine where we could be
If I spent less time trying to make up my mind
Then I would see, you're exactly what I needStop reading my mind
You're searching for signs
I'll meet you halfway
It's taking me time seeing the words that I find that are easy to sayWHY DON'T YOU DROWN ME IN YOUR LOVE?
WHEN I FALL DOWN WHO WILL PICK ME BACK UP?
WHO WILL SAVE ME FROM MYSELF WHEN I SEE YOU THERE'S NO ONE ELSE
WHY DON'T YOU DROWN ME IN YOUR LOVE?Drown me, drown me in your love
Drown me, drown me in your love
