Me And Jesus

Stellar Kart

When there's nowhere else to turn
All your bridges have been burned
Feels like you've hit rock bottom
Don't give up it's not the end
Open up your heart again
When you feel like no one
Understands where you areSomeone loves you even when you don't think so
Don't you know you got me and Jesus by your side
Through the fight you will never be alone on your own
You got me and JesusAfter all that we've been through
By now you know I've doubted too
But every time my head was in my
Hands you said to me
Hold on to what we got
This is worth any cost so
Make the most of life
That's borrowed
Love like there's no tomorrow
