Nelly

Dirty E N T
We all we got
Star tracks on the G M BI'm not the man sittin' next to the man
But I'm the man sittin' wonderin' if I'm a ever see you again
If I'm a ever get the chance to hug and squeeze you again
I swear never leave you againYou ain't gotta worry 'bout it, Dirty is simple man
I run up on you, man and all I ain't no minute man
A G 4 headin' straight for Switzerland
Or independent 8 mile down to MichiganShe so sit an S T L hottie
Apple bottom demin', the fliest thang in the party
Baby last could it be Mo Lotte?
Got mo' back than she got bodyFall back, get Cris and drin' it up
Tomorrow hit the mall, and Cris you D it up
Credit card to the Max, come back, I re it up
If I'm movin' too fast fo' ya, hurry to speed it upOr ease up, whichever one you prefer
The yellow diamonds or the whites, whichever one you prefer
Cali we do the drop, New York we do the furr
East Coast, West Coast whichever one you preferIf I could take you around the world
(Take you around that world)
(Then Shorty would you be my girl)
(Would you be my?)
Buy you cars, credit cards
Big jewelry with diamonds, girl
(Would you still be my girl?)
(Would you be my?)No N B A, but I can handle rock
I'm a different kind of balla' baby, feel or not
Yeah, I'm a playa' and I crush a lot
I also puff a lot, but I'll stop if you fuss a lotEverything I done done you ain't satisfied
And you don't wanna' answer to my who's and my why's
Just loan me back my keys to my C L 55
Better hurry the bus leave at 7 55We off that, take you to the field, ma let you ride horse back
Yeah, I'm 50 miles from the arch and all that
But from the bedroom, balcony, you can see all that
I can see you pointin' now like "What do you call that?"Got all these damn cars "Where the hell do ya' park at?"
We used to ask what it cost
Now it ain't no more a'that
I made it so ya' own mama call ya "It's all crap"If I could take you, around the world
(Take you around that world)
(Then Shorty would you be my girl)

(Would you be my?)
Buy you cars, credit cards
Big jewelry with diamonds, girl
(Would you still be my girl?)
(Would you be my?)Take you, girl if I couldn't take you
If I couldn't take you around the world
Tell me would you still be my girl?
If I couldn't take you, no way to take you
Girl if I couldn't take you around the world
Tell me would you still be my girl?If I could take you, around the world
(Take you around that world)
(Then shorty would you be my girl)
(Would you be my?)
Buy you cars, credit cards
Big jewelry with diamonds, girl
(Would you still be my girl?)
(Would you be my?)If I could take you, around the world
(Then shorty would you be my girl)
(Would you be my?)
Buy you cars, credit cards
Big jewelry with diamonds, girl
(Would you still be my girl?)
